

FOR BOTH

HOW TO:

Win the Argument and Damage the Relationship

A bad guide for couples who must be right

A PROFESSIONALLY TERRIBLE MANUAL

Bring up old fights. Tell each other what you really meant. Say sorry with a 'but.' Win the point. Ruin the night.

BAD ADVICE / BIG REACTIONS / MAXIMUM DRAMA

PREVIEW: TROUBLE AHEAD

HOW TO MAKE ONE SMALL FIGHT MUCH WORSE

Why have a ten-minute disagreement when you can ruin the whole night? This manual is for couples committed to being right, staying mad, and forgetting the original problem.

QUICK QUESTION

The fight is about dishes. Do you solve it, bring up 2019, or invite every old argument into the room?

THE NIGHT-RUINING OPTION IS JUST ONE PAGE AWAY...

WHAT THE FULL MANUAL PROMISES

Everything two stubborn people need to turn one point into a three-day event

[INSIDE THE FULL MANUAL](#)

THIS IS WHERE IT GETS PETTY

The preview ends before the best bad advice. The full manual keeps going with:

- How to bring up evidence from an entirely different year
- The apology that includes a perfectly placed 'but'
- How to reject peace on technical grounds
- Your official Argument Bingo card

NEXT: The five words that can restart a fight everybody thought was finally over.
