

FOR HER

HOW TO:

Make Him Mad Without Saying What's Wrong

A bad guide for women who would rather hint than ask

A PROFESSIONALLY TERRIBLE MANUAL

Say 'nothing.' Give one big sigh. Make him guess. Then get mad when he guesses wrong.

BAD ADVICE / BIG REACTIONS / MAXIMUM DRAMA

PREVIEW: TROUBLE AHEAD

HOW TO MAKE HIM EVEN MORE IRRITATED

He is only slightly confused. We can do worse. This manual is for the woman ready to turn one missed hint into a mystery he cannot possibly solve.

QUICK QUESTION

He asks what is wrong. Do you tell him, say 'nothing,' or release one sigh loud enough to shake the furniture?

THE PETTIEST ANSWER IS WAITING ON THE NEXT PAGE...

WHAT THE FULL MANUAL PROMISES

The fastest route from one simple question to complete confusion

INSIDE THE FULL MANUAL

THIS IS WHERE IT GETS PETTY

The preview ends before the best bad advice. The full manual keeps going with:

- How to say 'nothing' like it means seventeen things
- The secret test he does not know he is taking
- How to let him guess - then punish the wrong guess
- Your official Advanced Pettiness score

NEXT: One harmless-looking question with only one safe answer - and he will still choose wrong.
