

FOR HIM

HOW TO:

Make Her Mad in Under 60 Seconds

A bad guide for men who want trouble fast

A PROFESSIONALLY TERRIBLE MANUAL

Say 'calm down.' Check your phone. Tell her why she is wrong. Then act shocked when she gets mad.

BAD ADVICE / BIG REACTIONS / MAXIMUM DRAMA

PREVIEW: TROUBLE AHEAD

HOW TO MAKE HER EVEN MADDER

She is only a little annoyed. That is unacceptable. This manual is for the man who wants to turn one tiny mistake into a full evening of consequences.

QUICK QUESTION

She starts telling you why she is upset. Do you listen, apologize, or explain why she should not be upset?

THE MANUAL'S FIRST TERRIBLE MOVE STARTS RIGHT HERE...

WHAT THE FULL MANUAL PROMISES

The exact words that can turn mild irritation into maximum drama

INSIDE THE FULL MANUAL

THIS IS WHERE IT GETS PETTY

The preview ends before the best bad advice. The full manual keeps going with:

- How to make 'calm down' sound even worse
- The phone move that says you heard absolutely nothing
- How to correct her feelings and regret it immediately
- Your official Couch Risk score

NEXT: The sentence most likely to make her say, 'Oh, so THAT is what we are doing today?'
